■ Call for Papers

The International Conference on Trends and Traits in Technology and Tourism in Developing Countries, ICTTT - May' 2022 is being organized by WAIRCO. The conference will provide a platform to the Researchers, Engineers, Managers, Academicians and Industry Executives to share their ideas and views on the advances of Information Technology, Tourism and Management Research areas. The ICTTT - May' 2022 is organizing the International Academic Conference in the below Multi Disciplines. It is important for the students, academic staffs and researchers to keep improving the technology to be up-to-date and suitable for the required applications. The research findings must therefore be distributed among the researchers and to the respective communities.

1. International Conference on Trends & Traits in Information Technology (ICTTIT)
2. International Conference on Trends & Traits in Tourism and Management (ICTTMT)

➤ *ICTTIT: International Conference on Trends & Traits in Information Technology*

■ Areas of Interest under Information Technology

- Artificial Neural Networks, Fuzzy Systems, and Hybrid Systems
- Building E-Learning Architectures
- Computational Intelligence and Evolutionary Computation
- Computer Graphics & Gaming Applications
- Computer Science and Engineering
- Data Communication, Computer Network and Security & Forensic
- Data Structures and its Applications
- Database Management Systems and its Applications
- Data mining, knowledge Discovery, and Knowledge Management
- Decision Support and Recommender Systems
- Developing and Organizational E-Learning Strategy
- Developing, Integrating, and Delivering E-Learning
- E-Learning Evaluation
- E-Learning Tools and Systems
- E-Learning Content Development

Early Bird Registration	:	30 th Mar' 2022	20 th Apr' 2022
Late Registration	:	30 th Apr' 2022	30 th Apr' 2022
Conference Dates	:	12 – 14, May' 2022	

■ Conference Format

The conference has two types of presentations: Invited Keynote Speakers and Regular Oral Presentations. The authors who register for the Regular Presented can present the paper either by attending the conference or through Skype/Zoom video presentation. The proceedings of the conference will be published and distributed in English through Electronic format.

■ Paper Submission

Papers must be written in English for ICTTT - May' 2022 and should describe original work in detail. Each regular paper, according to instruction, must be accompanied by an abstract summarising the contribution it makes to the field. Maximum paper length for regular paper is 6 pages of A4. Each paper will be reviewed by at least three reviewers. Submission of a paper constitutes a commitment that, if accepted, at least one author must attend and participate in the conference. Electronic submission in camera-ready format and copyright document are required. For more information:

<http://www.wairco.org/Indonesia/Jakarta/PaperSubmission.html>

The manuscript can be submitted through: jakartamay2022@wairco.org

■ Registration

The ICTTT - May' 2022 has two rounds for submission of papers. Under each round there are two deadlines for paying the registration fee: Early bird registration and Late Registration.

It is mandatory that at least one author of an accepted paper must register in order to appear the accepted paper in the Journal Proceedings and be included in the Technical Program. If an author has got more than one accepted paper, each paper has to be registered separately. Each paper is restricted to 6 pages. Extra fee will be charged for each page. Also not that, those who want to have a print media (hard copy) of the Journal Proceedings, they have to pay extra fee along with the registration fee. For more info: <http://www.wairco.org/Indonesia/Jakarta/Registration.html>
